

Use common sense!

Flush only:

- ✓ Weewee
- ✓ Poop
- ✓ Toilet paper

Trash into the toilet could cause clogged pipes and septic systems. Some trash may end up in the ocean and cause pollution and environmental harm.

Don't flush trash, ex:

- ✗ Wipes
- ✗ Sanitary pads
- ✗ Q-tips
- ✗ Disposable lenses
- ✗ Cleaning cloth
- ✗ Cooking fat
- ✗ Drugs
- ✗ Chemicals
